

Programmieren mit Oli - CSS Episode 1

Theoretischer Teil

1.

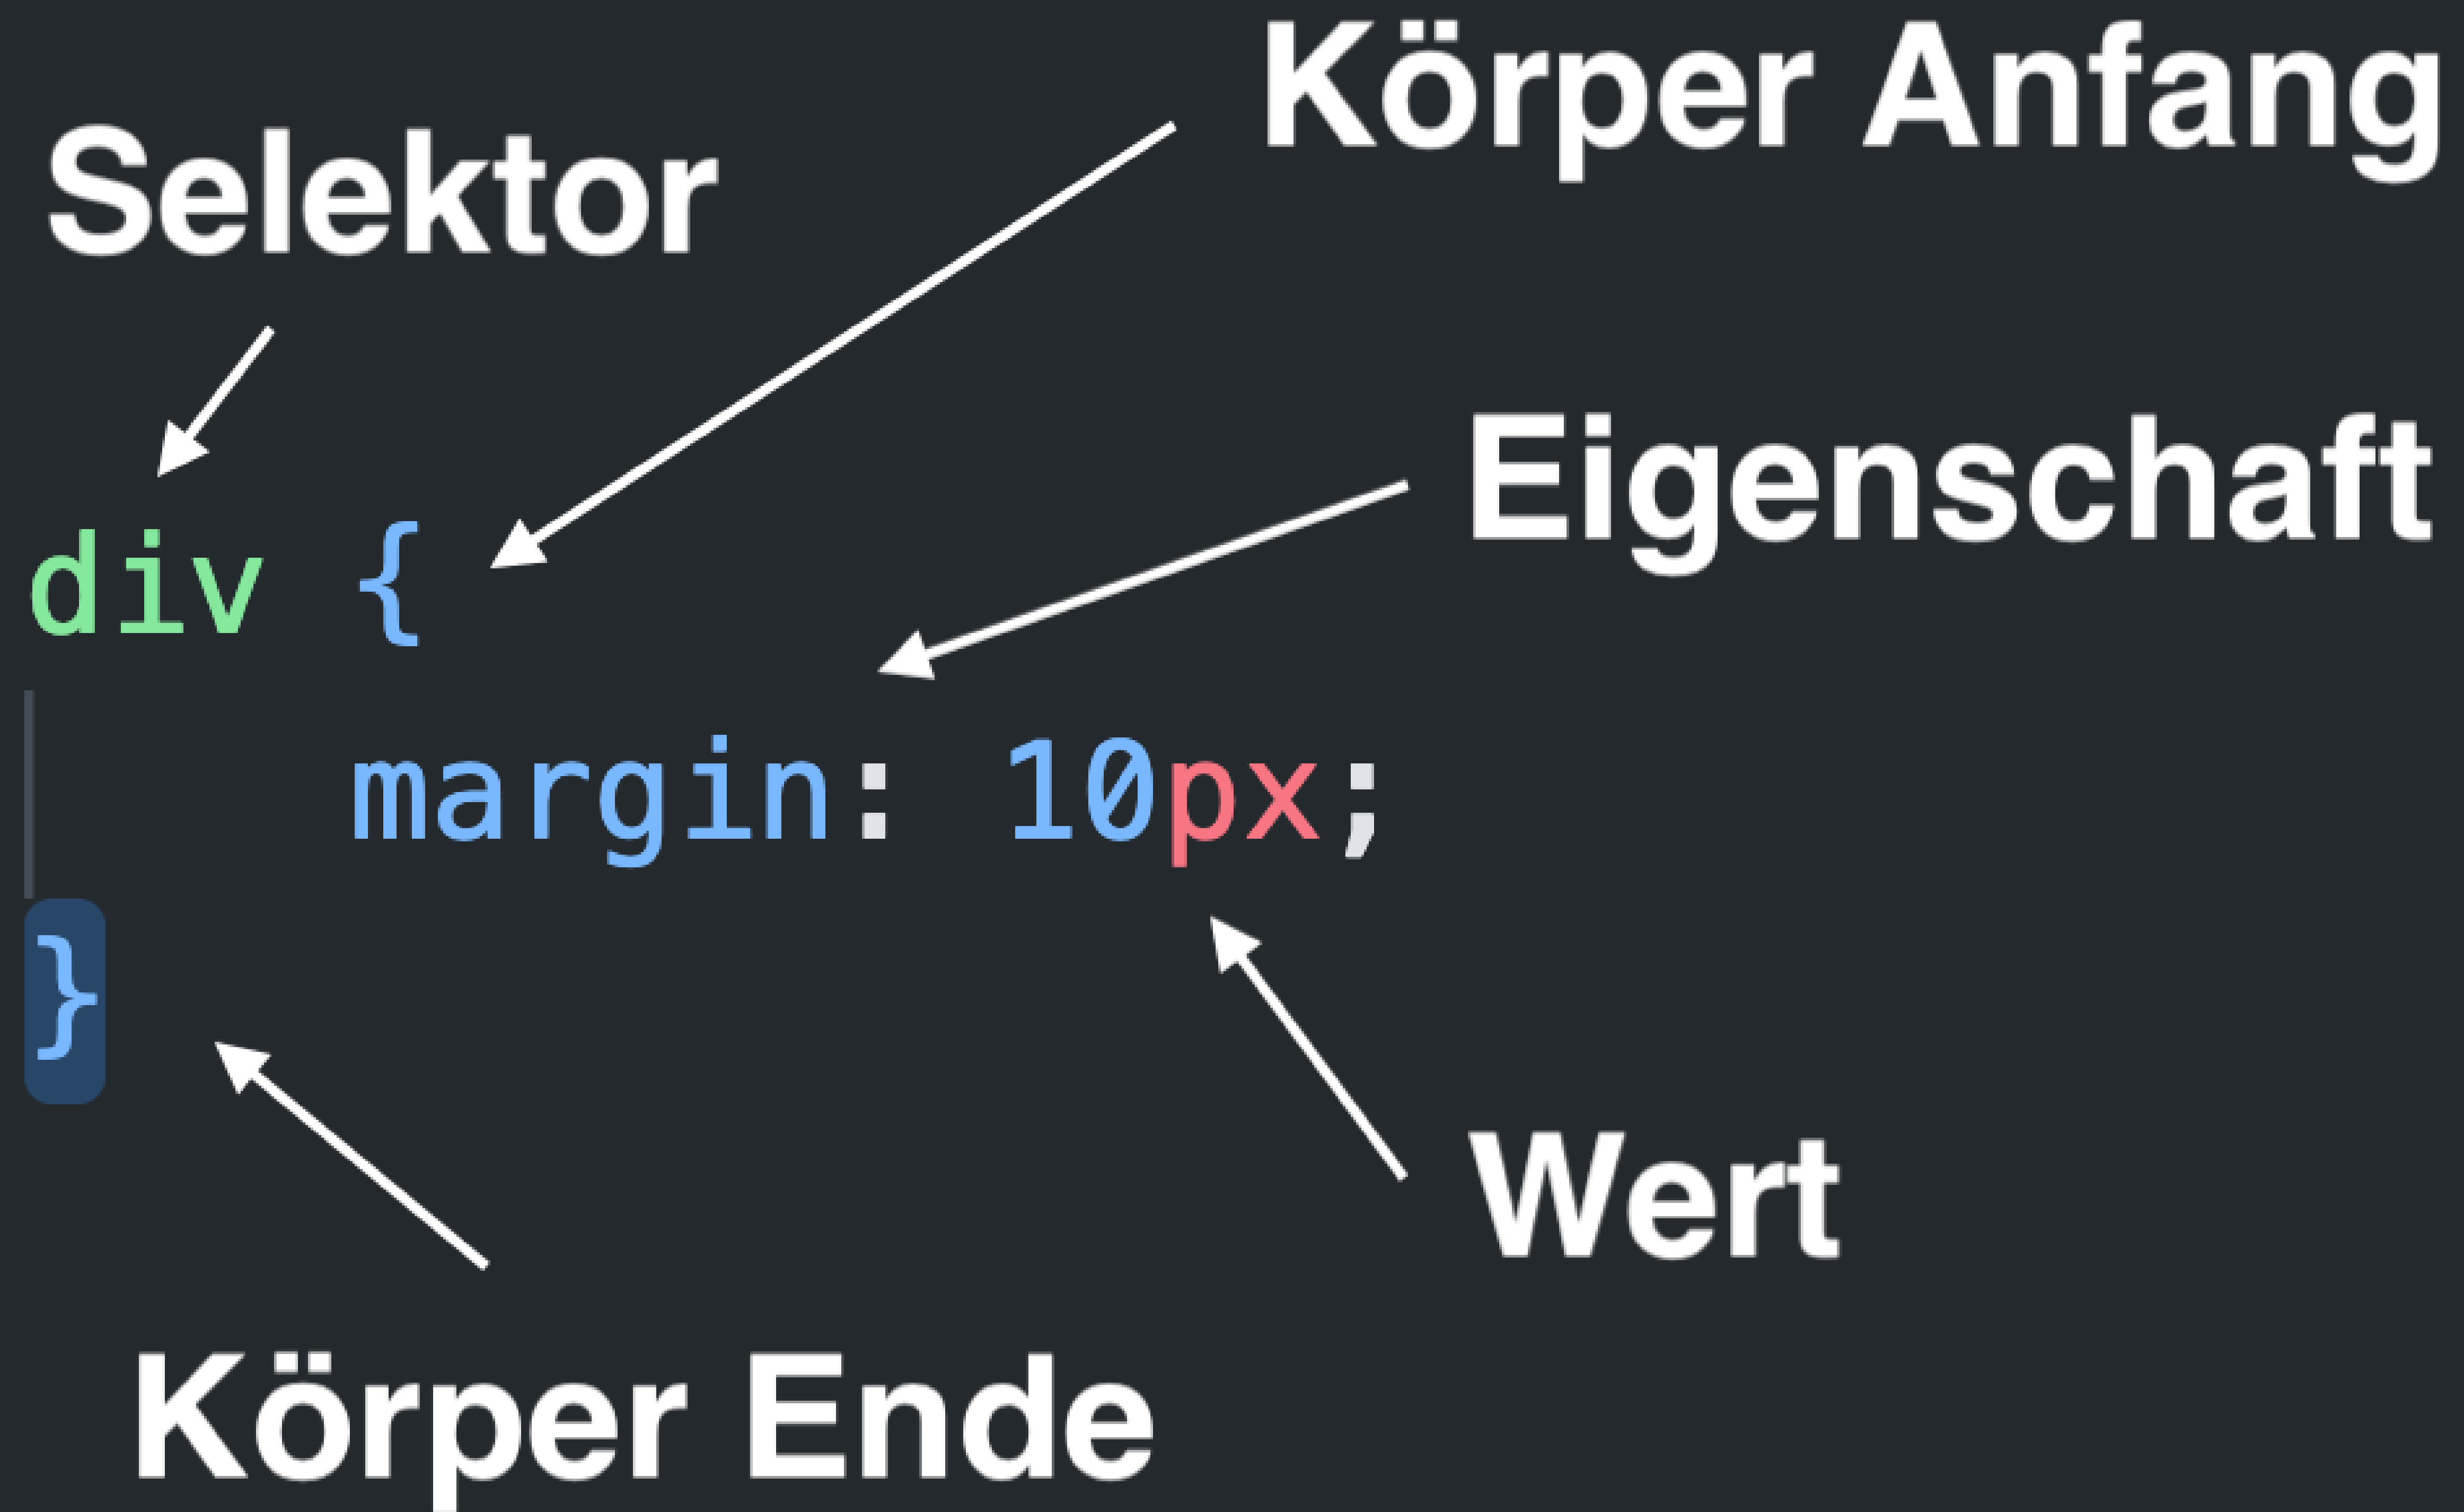

```
<style></style>
```

2.

```
<div style="">
```

3.

```
<link rel="stylesheet" href="style.css">
```

tags

```
div {  
  margin: 10px;  
}
```

classes

```
.container {  
  margin: 10px;  
}
```

ids

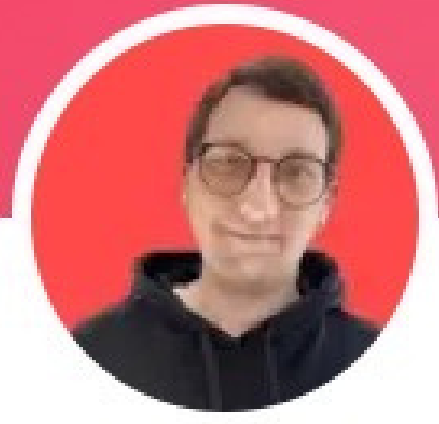

```
#container {  
  margin: 10px;  
}
```

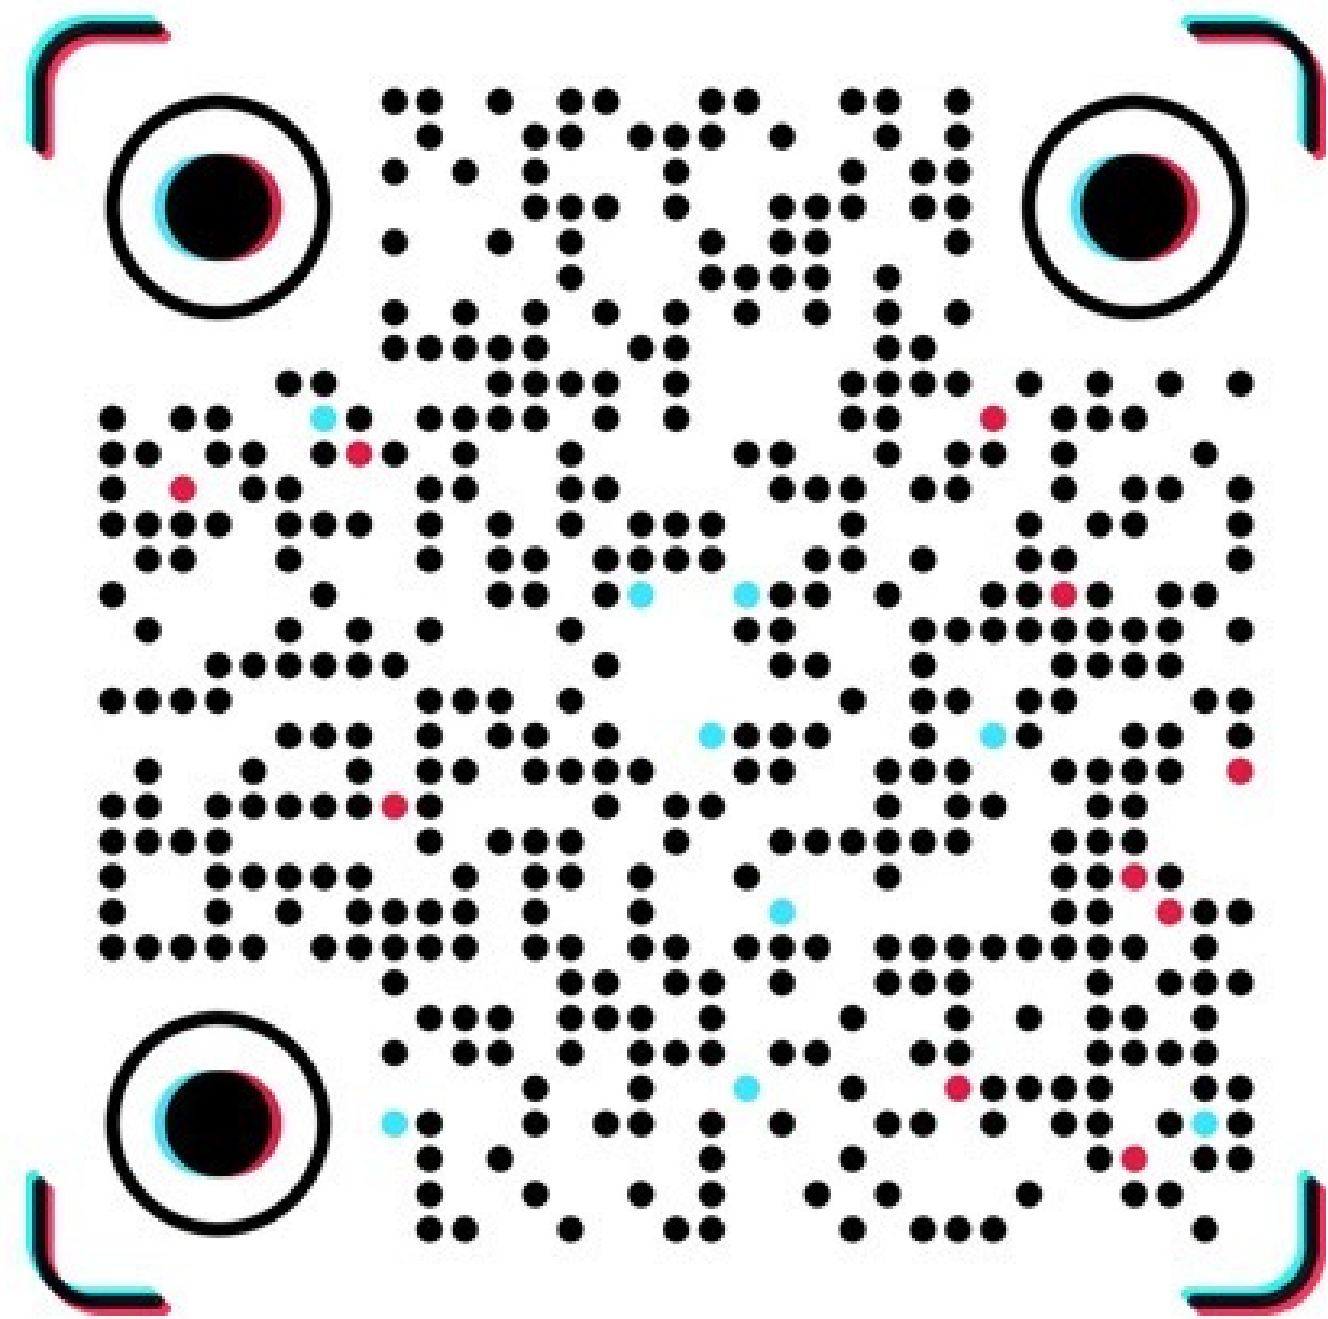

style.css ×

```
1  div {
2    margin: 10px;
3  }
4
5  div p {
6    color: white;
7  }
8
9  p {
10   font-size: 20px;
11 }
12
13 .container-red {
14   height: 500px;
15   width: 300px;
16   border: 3px solid red;
17 }
18
19 .container-blue {
20   height: 300px;
21   width: 300px;
22   border: 3px solid blue;
23 }
24
25 .footer {
26   color: red;
27 }
```
